Dear School Counselor,

The Missouri School Counselor Association (MSCA) is a dynamic professional organization that has served Missouri school counselors since 1948. MSCA was founded to help those interested in school counseling make the most effective use of their skills and talents in services to students, parents, school personnel, and community members.

As a member of this organization, you will be given an opportunity to participate in its many programs, all of which are designed to advance the profession and help each member achieve greater personal and professional growth.

Through your membership, you will work with others to improve the profession. MSCA’s strength lies in the willingness of its members to support programs that lead to the attainment of our professional goals. If you are not a member, we hope you will consider becoming one.

Join more than 1,600 counselors across the state who make MSCA one of the strongest organizations in the nation!

MSCA is a state division of the American School Counselor Association.
